March 2024

Dear Exhibitor,

We are excited for the Equestrian Sport Productions (ESP) Spring I Horse Show benefitting the A-T Children's Project (A-TCP) and we hope you will join us!

Ataxia-telangiectasia (A-T) is a genetic disease that causes progressive loss of muscle control and balance, a very high rate of cancer, lung disease, and immune system problems in children and young adults, shortening their lives. The A-TCP is a nonprofit organization that partners with academic and industry investigators – organizing and supporting innovative research, conferences, clinical teams, data platforms and biomarker developing – to optimize disease management strategies, develop new treatments, and find a cure. In addition to research, the A-TCP provides support and resources to families affected by A-T, including the latest information about clinical care to manage A-T's many symptoms. And, because A-T is a multi-system disease, scientists believe that A-T research will help more prevalent diseases such as Alzheimer's, Parkinson's, AIDS, and cancer.

ESP has been a proud supporter of A-TCP through charity horse shows since 1994. This year's 2024 charity horse show, ESP Spring I, will take place from Thursday, April 4 – Sunday, April 7. The A-TCP will be the primary beneficiary of this ESP event. Don't miss the most exciting class of the week – a National Grand Prix on Sunday afternoon!

We are currently accepting participant registrations and donations for this event, and we hope to see you there. Donations can be made online at atcp.org/EquestrianSportProductions. For more information about the event, please visit us at wellingtoninternational.com.

For more information about A-T, please visit atcp.org.

Sincerely,

A handwritten signature in black ink that reads 'Kimberly Beisner'.

For every horse participating in any competition licensed by the Federation, a \$23 Federation fee will be collected (\$15 shall be an Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3). Exception: Horses entered in classes exempted from the Equine Drugs and Medication fee are also exempt from the balance of the Federation fee. JUMP ORDER

In all classes over fences management MAY designate the order of go. All orders will be posted at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the paddock masters involved — don't rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with a posted order of go will use the following procedure in accordance with JP112.2: the horses names are drawn individually, starting from the first position and then down.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vests worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

MEDICAL WASTE & SHARPS

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the

proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation.

POLING

We do not allow any sort of manual poling or poling of any type on the competitions show grounds.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state.

It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

11. **Vesicular Stomatitis** - Per USEF ESP Acknowledgement of Vesicular Stomatitis Option A - Restrict entries from USDA confirmed VS- Affected Counties under the condition that notification is made to the Federation and all potential participants no less than five (5) days prior to the start of competition and the notification is published on an obvious location on the competition social media sites. Note: This option applies if no horses from VS Affected Counties are entered in your event and none are expected to attend your event. This is on a Show by Show Basis, management may change the requirements in the future.

JUMPER ATTIRE

This will be enforced so please make sure you are dressed according to what class you are entered in. Please be advised Exposed Hoodies of any kind are prohibited.

Formal Jumper Attire

Dark, muted or similar colored, or red (scarlet) coats are required; white or fawn breeches; a white tie, choker (unless the shirt, by design, has the choker built in for its intended use) or hunting stock, and a white or lightly colored shirt must be worn. Shirts must have a white collar and white cuffs. Shirts must be fastened at the neck and tucked in. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn. Members of the Armed Services or the police may wear the service dress uniform with protective headgear. (See General Rules, GR801.2)

Classes requiring Formal Attire are all FEI Classes and any Grand Prix or special class offering at least \$25,000 in prize money.

Proper Jumper Attire

Coats of any color are required. Breeches must be a light color (white, fawn or canary). Pastel and dark colored breeches are not allowed. Shirts, light in color, must be tucked in and fastened at the top of the neck. Ties or chokers of any color must be worn (unless the shirt, by design, has the choker built in for its intended use). Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

Classes requiring Proper attire are any Classic or Stakes class.

Standard Jumper Attire

Coats are not required. Breeches of any color are permitted. Shirts (polo shirts are permitted) must have collars and sleeves (sleeves

may be either long or short), and must be tucked into the breeches. Sleeveless shirts and shirts with exposed hoods are prohibited. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

In extreme weather conditions the use of jackets, sweaters or raincoats, without exposed hoods can be allowed by management and/or permission from the jumper jury. Permission must be granted before entering the competition ring.

Air Vests

Air vests are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes, Judges are instructed not to deduct points for the use of air vest worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

Safety Vests

Safety vests are permitted without a show coat ONLY if being worn with a color matched long sleeved collared shirt. example: A black long sleeved collared shirt may be worn with a black safety vest

In cases where the above requirements are not followed the penalty will be either a possible warning (for the first offense) or elimination. Please note that competitors are responsible for their own clothing. A wardrobe malfunction (e.g., magnets, zippers, buttons breaking) is not an excuse for improper attire.
