# IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state.

It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

11. **Vesicular Stomatitis** - Per USEF ESP Acknowledgement of Vesicular Stomatitis Option A - Restrict entries from USDA confirmed VS- Affected States under the condition that notification is made to the Federation and all potential participants no less than five (5) days prior to the start of competition and the notification is published on an obvious location on the competition social media sites. Note: This option applies if no horses from VS Affected States are entered in your event and none are expected to attend your event. This is on a Show by Show Basis, management may change the requirements in the future.

# FINDING THE RIGHT MATCH FOR STUDENTS, FROM KINDERGARTEN THROUGH COLLEGE

We know the traditional model of education doesn't work for everyone. The founders of Open Minds Academy and Alexander Academic Access have teamed up to serve the diverse educational needs of families inhabiting Wellington, Florida – on a part or full time basis. Taking advantage of the ever-evolving landscape of academia, we have developed several options to accommodate different learning styles and lifestyles. The increasing desire to access everything remotely, accompanied by the rise in tendency for families to travel extensively for various reasons, has inspired our innovative educators to create new ideas and approaches.

One of the primary advantages of nontraditional education is flexibility. Our creative solutions allow for customized learning plans that can be tailored to individual students' pace and preferences. This flexibility is particularly valuable for students with special needs, those pursuing extracurricular interests, those who want to progress more quickly, or those facing unique life circumstances.

Open Minds Academy provides a supportive learning environment for elementary and middle school students who thrive when they have access to individual attention, hands-on learning, and remediation or acceleration as necessary. OMA offers small group and one-on-one instruction, and takes pride in employing certified, masters level teachers who think outside the box. The directors of OMA, who are experts in elementary and secondary education, have adapted their educational model to accommodate and empower students of all abilities and learning objectives.

Alexander Academic Access supports students applying to college by focusing on finding the best match for each individual. The director of AAA has extensive experience working with students who follow a nontraditional path in secondary education before applying to colleges. She and her group of highly qualified admission experts are equipped to guide students, who have taken both traditional and nontraditional routes, on the next step of their educational journey. In keeping with the theme of flexibility, the services are available both in Wellington and remotely, to accommodate nomadic families country-wide. AAA also offers an exclusive college campus visit travel concierge service, providing comprehensive itineraries that reduce the stress of trip planning and allow students (and parents) to focus on finding the best fit. \*Link to sample itinerary: <https://shorturl.at/uwyPX>

As we look to the future, let us not view nontraditional education as a threat to the status quo but as a valuable addition to the educational landscape. Moving away from the one-size-fits-all mentality and unleashing the potential of every student will better prepare them for the challenges and opportunities presented in higher education. Recognizing that there is no single path to success in

education, we commit to nurturing diverse talents and abilities that demand a more flexible and adaptable approach. By embracing the power of innovative solutions, we can create a more inclusive, flexible, and student-centered education system that equips our children with the skills they need to thrive in a world in constant flux.

Between OMA and AAA, we are confident we can help students achieve their academic goals, while learning to balance their other commitments and aspirations. To learn more about how you can benefit from these educational options, check out our websites.

Coats are not required. Breeches of any color are permitted. Shirts (polo shirts are permitted) must have collars and sleeves (sleeves may be either long or short), and must be tucked into the breeches. Sleeveless shirts and shirts with exposed hoods are prohibited. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

In extreme weather conditions the use of jackets, sweaters or raincoats, **without exposed hoods** can be allowed by management and/or permission from the jumper jury. **Permission must be granted before entering the competition ring.**

In cases where the above requirements are not followed the penalty will be either a possible warning (for the first offense) or elimination. Please note that competitors are responsible for their own clothing. A wardrobe malfunction (e.g., magnets, zippers, buttons breaking) is not an excuse for improper attire.

**Safety vests are permitted without a show coat ONLY if being worn with a color matched long sleeved, collared shirt. Example: A black long sleeve collared shirt can be worn with a black safety vest.**

**\$5,000 HOLIDAY FINALE: KEYFLOW USA**

## CLASS 920

**SCHOOLING:** During the two rounds of the National Hunter Derby all horses must be ridden in official horse show schooling areas only. Riders must wear their official horse show back number while mounted.

### COURSE REQUIREMENTS:

\*Please note this Hunt and Go is judged differently than the International Hunter Derby Hunt and Go.

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will result in elimination.

#### 1. Standard Hunt and Go Format

a. The Classic Hunter Round, consisting of seven to eight (7-8) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to eight (5-8) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

**ATTIRE:** Formal dress attire is suggested but not required: Buff breeches and Shadbelly. White breeches and dark or scarlet coat, hunt colors, or official sponsor or team jacket permitted.

This class will be run in accordance with all rules stated in HU167. Log on to [www.ushja.org](http://www.ushja.org) for more information regarding this class.

## CLASS 921 \$15,000 2\* USHJA INTERNATIONAL HUNTER DERBY

**CLASS PRICE: \$700, Plus a \$50 USHJA Mandatory Fee = \$750**

You must declare what section you want your bonus points to count for at the time of your entry. Horses ridden by amateurs and juniors will automatically go towards their respective sections. Points will be: Round 1 and Round 2 @ 50, 40, 35, 25, 20, 20, 15, 10, 7, 5, 3, 2. Overall points will be 200, 160, 140, 120, 100, 80, 60, 40, 28, 20, 12, 8.

### STANDARD HUNT AND GO FORMAT

a. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

c. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tiebreaker.

d. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.

e. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

### JOG FORMAT

a. All horses entered in the International Hunter Derby class must jog for soundness during the Official Jog prior to the start of the first round in order to compete. The Official Jog must be held within 12 hours of the start of the first round. This jog will be run in a manner similar to an FEI jog.

b. A horse must be officially entered in the class before it will be allowed to jog.

c. Proper attire is required (i.e., riding clothes or proper attire which an exhibitor would wear to compete in a model class).

d. All horses must be presented at the Official Jog with their actual competition number and wearing a conventional hunter bridle, including noseband.

e. The judging panel for the Official Jog shall consist of the competition veterinarian and a minimum of one judge from the judging panels officiating for the class.

f. The jog surface must be level. Horses shall be evaluated from the side and following consultation with the veterinarian, the decision of the participating judge(s) is final and binding and not subject to further appeal of any kind.

g. If a horse does not pass the jog; the exhibitor may request to re-present the horse to the judge(s). The judge(s) may decide to allow the horse to re-present at any time up to one hour prior to the start of the class. The vet and one of the judges from the original panel must be present.

### STABLING/SCHOOLING

a. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.

b. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.

c. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

### AWARD PRESENTATIONS

a. All riders in the top 12 overall (or their designated representative if they are not available) must ride for ribbons in order to receive prize money.

## THE FEI CODE OF CONDUCT

### FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 Lausanne, Switzerland.

Telephone: +41 21 310 47 47. The Code is available in English & French.

The Code is also available on the FEI's website: [www.horsesport.org](http://www.horsesport.org).
