

AS ONE

This is what the discipline is all about. Two living, breathing individuals joining their singular movements as one. It seems so natural it could almost look easy. Yet, to get there, it will have taken years of attentive craftsmanship, creating a bond capable of reaching such precision and reliability. For, beyond the mechanics and the minute details that go into creating such a partnership, it is the unquestionable trust it fosters that enables the type of movement which continues to take them further and higher.

Only a trust so pure can carry them beyond any challenge. As one.

FEI RULES

An FEI Prize List will be released under separate cover once all of the draft schedules have been approved by FEI.

IMPORTANT INFORMATION

- Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2024, the athletes respective Federation weekly declaration IS THE AUTOMATIC NOMINATION INTO THE #9999 JOG CLASS. The athlete must manually withdraw (with Federation or in the Horse Show Office) any horse they do not plan to show (incorrectly nominated by their Federation) by 4:00 PM, Sunday the week prior to the competition to avoid paying the \$675 "no-show" fee as stated in the approved FEI schedule.
- We ask that you ONLY declare the number of horses that are allowed in FEI each week; i.e., please don't have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be NO EXCEPTIONS to this rule.
- The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until one hour prior to the jog/horse inspection. After that time there will be NO SUBSTITUTIONS.
- Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet.
 All Declarations must be made by 4:00 PM the day before the class is held, unless otherwise specified.
- Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question.

- Responsible party MUST notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
- Horses must be checked in to FEI secure stabling area between 10:00–11:00 AM for Veterinary/Passport precheck before the horse inspection begins each week. (Unless approved FEI schedule says otherwise)
- ** NOTE: there is a webcam and clock posted at the security gate for management and jury to ensure compliance.**
- FEI Horse Inspection will take place at 12:00 PM of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary.)
- Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
- Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.

Other FEI Important Information:

- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
- FEI Photos are taken in Exhibitor Services
- Credentials are signed out from the FEI Office in the FEI Compound
- Five passes will be issued per horse

ADAPTIVE SYSTEM X-TECHNOLOGY

AS-X is an innovative and exclusive tree technology that offers a unique system on the market. It allows the saddle to adapt to the movements of the horse's back, enhancing the horse's athletic abilities while guaranteeing the rider's stability. This technology combines two key components: X-Technology with injected membranes for maximum stability in the saddle, and the "Adaptive System," a shock absorbing system that allows both the lateral/torsional and axial movement of the tree through a central joint. The AS-X technology is available both in dressage and jumping saddles, visit Prestigeitalia.com website to discover more.

Junior Sportsmanship Trophy

The 2024 Junior Sportsmanship Trophy will be awarded at the end of the Winter Circuit to the junior rider that consistently demonstrates outstanding conduct, horsemanship, attitude and courtesy appropriate for a competitor at the highest levels of our sport.

The Trophy honors Candida "Carly" Anthony's mother and grandmother, Candida "Cara" Anthony and Candida "Candy" Forstmann, who both felt it is important to encourage and publicly recognize good sportsmanship in the young riders that may one day be selected to represent our country. Over the past 24 years, many of the Trophy's recipients have gone on to train and compete around the world and have become positive role models for an entire generation of aspiring young riders.

Each week a variety of observers, including the Trophy's sponsor, event staff, show management, officials, trainers and other competitors, will provide observations, insight and input into the selection process. In the end, the rider that makes the most positive overall impression will be invited to the Trophy presentation. We will be looking for you...

STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013. WE WILL NOW ADHERE TO GR845 IN WHICH:

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

- 1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
- 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations: name of the vaccines and date of vaccine administration.
- 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
- 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The

- log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
- 5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
- 6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended
- 7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
- 8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
- 9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
- 10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

\$75,000 BATTLE OF THE SEXES EXHIBITION

SPONSORED BY WELLINGTON REGIONAL MEDICAL CENTER **CLASS 120**

Saturday Evening, January 6, 2024

The Battle of Sexes is an exhibition competition between a team of 8 female riders and a team of 8 male riders competing at the WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows:

Phase I Table C FEI art 239

Faults under Table C are penalized with 2 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 8 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 8.

Phase II GCC Relay Format

Each team will have two teams of three riders. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20m. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 10.

GCC Relay Format Scoring Clarifications:

2 Seconds added for each rail.

4 seconds added total — for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off.

The decision of the ground jury is final.

Phase III Match Race FEI Art 272

This competition involves a head-to-head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C Art. 239 with 3 seconds added per knockdown. All 8 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 24.

Draw: Each team will choose its own Captain. The Captains list their 8 riders for Phase I. The Winning Team from the previous year will go first in phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 8. The leading team will go first. After that, the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head-to-head in one final heat. The riders will wear team jerseys provided by management.

CLASS 907 \$25,000 USHJA 2* INTERNATIONAL HUNTER DERBY

PRESENTED BY BLUCREEQ SPIRITS

ENTRY FEE: \$800

You must declare what section you want your bonus points to count for at the time of your entry. Horses ridden by amateurs and juniors will automatically go towards their respective sections. Points will be: Round 1 and Round 2 @ 50, 40, 35, 25, 20, 20, 15, 10, 7, 5, 3, 2. Overall points will be 200, 160, 140, 120, 100, 80, 60, 40, 28, 20, 12, 8.

Standard Hunt And Go Format

- a. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.
- b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
- c. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tiebreaker.
- d. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- e. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping

style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

Stabling/Schooling

- a. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.
- b. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.
- c. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

Award Presentations

- a. All riders in the top 12 overall (or their designated representative if they are not available) must ride for ribbons in order to receive prize money.
- b. For all Member Event Series classes, USHJA will provide ribbons for the first round, second round and the overall standings.
- c. Competition management may offer additional awards (e.g., highest placing junior owner, highest placing amateur, highest placing thoroughbred, highest placing rider competing on only one entry in the class).

THE 15TH ANNUAL GREAT CHARITY CHALLENGE EXHIBITION CLASS SPONSORED BY FIDELITY INVESTMENTS[®]

The teams are made up of 1 professional/ Grand Prix rider, 2 Junior/Amateur riders. (The team can have 2 Amateurs, or 2 Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider ones horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

The band will play a 45 second intro while the riders become acclimated with the ring and set in their ready positions.

Please note that we need all teams to enter at the instruction of staff and exit promptly after the completion of their round. We are holding the next team up from entering the ring until all horses have cleared the ring chute. After leaving the chute please go left.

Costume Guidelines

Please note that Management reserves the right to ask riders to remove any part of their costumes which are considered unsafe while competing (examples include capes, anything that obstructs vision or scares horses, etc). We highly encourage team sprit and fun, but safety needs to be paramount.

All costume judging to take place during the course walk in the International Arena.

Riders Are Not To Start During The Initial 45 Second Music Set

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the

15 seconds without a start, the timer will automatically begin. The professional must jump the 1.30 course but the team can decide who jumps the 1.10 and 1.20 courses.

Class Scoring Clarifications

2 seconds added for each rail.

4 seconds added total for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #15 before the previous team member's horse's front two feet land from fence# 7 or #14 respectively. The ground Judges at Fence #7 and fence #14 will signal the landing of the fence by raising a red flag.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. The 1.10 or the 1.20 team rider is eliminated for two refusals and or fall of horse or rider: If this takes place, it is the next team member in sequence that is responsible for taking over in the course where the previous team member left off. If the professional is eliminated for two refusals or fall, unfortunately the team will not receive a score.

Holding Area Safety - For the past several years there has been too many people on the ground around the horses prior to the teams going in the ring. In the interest of safety, with the exception of a single team captain and 1 groom per horse we will be requiring everone else to remain behind the barrier fences. This is for both before the round and after the round. The teams will be responsible for any of these violations and can be accessed a one second penalty by Management or officials for any vioation. This is in the interest of everyone's saftety so please make sure all of your ground support are aware of these rules.

The decision of the ground jury and/or managemnent is final.

\$100,000 NEIL S HIRSCH BOYS AND GIRLS CLUB **EXHIBITION TEAM HUNTER STAKE CLASS**

CLASS 130

This class will be conducted under USEF General Rules and drug testing procedures. Points from this class are not to be counted towards USEF or USHJA HOTY Awards

Open to up to 15 teams. The top 12 teams will qualify as per specifications below, and three additional teams will be awarded to Wild Card Buy In For Charity*. Team nominations will be accepted in the horse show office from January 9, 2024 until February 4, 2024. Team Entry Fee for the class will be \$2,400/Team. The top 12 nominations will be accepted based on the cumulative point totals of all three horses on a team earned showing in any rated division with jumps set at 3'3" or higher during the ESP Holiday Series and/or the Winter Equestrian Festival up to and including WEF IV. Point totals to be based on the WEF point chart used for WEF Circuit Awards. In the case of a tie for the twelfth position, the top professional point value will break the tie. If necessary to reach the maximum number of 15 teams entered, at Management's sole discretion, additional entries may be accepted after the close of entries. No nomination fees will be charged for teams that are not ultimately accepted.

Wild Card Buy In For Charity*- Three additional teams will be awarded entry into the class based on the three top bids. Wild Card Teams are exempt from qualification factors. A silent auction bidding sheet will be placed in the show office. Bidding will close on February 6 at 4:00 PM. 100% of the top three team bids will go directly to the Boys and Girls Club Charity.

Each team will consist of one professional, one amateur and one junior rider. Teams will be created by the individual team members and entered as teams. In order to be eligible to compete, all horses and riders on any team must have competed in at least one rated hunter division with jumps 3'3" or higher at any competition held during the ESP Holiday Series, or the Winter Equestrian Festival up to and including WEF IV. Riders will be limited to competing on one team only. Each rider on a team must have a designated trainer and designated groom.

This class will be held over one round. Each of the three riders on a team will compete once. Amateur's and juniors on each team may compete for their team in the order in which they choose. The professional rider on each team must be the last to compete for their team.

Judging

- To be judged on performance and soundness with an emphasis
- To be judged by three judging panels consisting of two judges each. A minimum of one R judge is required per panel.
- All judges must be in good standing with the Federation and the **USHJA**

- Each of the three judging panels will give every rider a numerical score. The scores from all three judging panels will be averaged together to come up with a final score for each rider.

- · All scores to be announced.
- Any ties will be decided by the highest drop score. Any further ties will be decided by the highest score from Panel #1.

- The course will consist of a minimum of ten (10) obstacles set at 3'3" with up to 3' spreads.
- At least one in and out must be included.
- Course to simulate riding over hunt country or an old fashioned hunter stake class with few related distances and suitable opportunities to demonstrate pace, brilliance and classic jumping style.
- Course to start as a "classic hunter style course", transition to a "handy style" section mid-course, and then transition back to a "classic hunter style course" to finish.
- Jumps must simulate those reminiscent of the hunt field and the course must offer a variety of jumps with different appearances

such as, but not limited to: natural post and rail, split rail, stone wall, white board fence, riviera gate, coop, aiken, hedge, brush, logs, natural foliage, a jump with no standards.

WORLD CHAMPIONSHIP HUNTER RIDER SPECTACULAR CLASSICS

The Hunter Classics listed in this section will only be held during the WCHR Spectacular week at the Winter Equestrian Festival week #6. The long-standing tradition of the WCHR Program to self-fund events continues, as each horse competing in any WCHR: Professional, Junior, or Amateur Owner Hunter Section, 3'6" or higher, will pay a \$100 nomination fee per section.

One hundred percent of the nomination fees, in addition to a contribution from the USHJA WCHR Program, will create the purse for 1st through 12th place in the USHJA WCHR Hunter Spectacular of Palm Beach.

Overall High Score Award: A plaque will be awarded to the rider who achieves the single highest numerical score in any one class within any WCHR hunter section during WCHR Spectacular week. *

High Score Awards: A jacket will be awarded to the riders who

achieve the single highest numerical score in any one class, within their respective hunter section, in each of the nine WCHR categories: Professional, Developing Professional, Amateur Owner 3'6", Amateur Owner 3'3", Adult Amateur, Junior 3'6", Junior 3'3", Children's and Pony. *

* Should a tie occur between two or more riders for high score within a category or for the Leading Hunter Rider, duplicate awards will be mailed. Riders must be enrolled in the 2024 WCHR program to be eligible for a high score award and are only eligible for an award in their declared category.

The courses for all classics will consist of a minimum of ten (10) obstacles of at least six (6) different types

In the event of a tie for; Adult Amateur, Junior Hunter, Children's or Pony Grand Champion, the tie will be broken by the horse-and-rider combination with the most points over fences.

USHJA HUNTER DERBIES

CLASS 912 \$5,000 USHJA PONY HUNTER DERBY

PRESENTED BY MARS EQUESTRIAN

NOMINATION FEE: \$60/\$85 POST ENTRY FEE: \$375/\$425 POST

Pony Hunter Derby will feature two rounds – a Classic Hunter style course (first round) and a Handy Hunter course (second round). Fence heights will be adjusted by size (small - 2'3", medium - 2'6", and large 2'9"), but the class will not be split by size. The derby is pinned through 12th place. Riders may compete on a maximum of 4 ponies, but no more than 2 of

either size. The Top 14 ponies must jog between rounds. Ponies must compete in at least 2 classes of their respective divsion to be eligible to compete.

Visit ushja.org for further information regarding this class.

PRIZE MONEY: \$1,500, \$1,100, \$650, \$400, \$300, \$250, \$200, \$150,\$150,\$100,\$100,\$100

CLASS 907 \$25,000 USHJA INTERNATIONAL HUNTER DERBY 2*

PRESENTED BY BAINBRIDGE COMPANIES

ENTRY FEE: \$800

You must declare what section you want your bonus points to count for at the time of your entry. Horses ridden by amateurs and juniors will automatically go towards their respective sections. Points will be: Round 1 and Round 2 @ 50, 40, 35, 25, 20, 20, 15, 10, 7, 5, 3, 2. Overall points will be 200, 160, 140, 120, 100, 80, 60, 40, 28, 20, 12, 8.

Standard Hunt and Go Format

- a. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.
- b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
- c. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tiebreaker.
- d. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill thisrole.
- e. The Option Bonus Score of one additional point for each

higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horseand-rider combination does jump the higher height option fence.

Stabling/Schooling

- a. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.
- b. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.
- c. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

Award Presentations

- a. All riders in the top 12 overall (or their designated representative if they are not available) must ride for ribbons in order to receive prize money.
- b. For all Member Event Series classes, USHJA will provide ribbons for the first round, second round and the overall standings.
- c. Competition management may offer additional awards (e.g., highest placing junior owner, highest placing amateur, highest placing thoroughbred, highest placing rider competing on only one entry in the class)

Refer to **ushja.org** for all derby infomation.

PRIZE MONEY: \$7,500, \$5,500, \$3,250, \$2,000, \$1,500, \$1,250, \$1,000, \$750, \$750, \$500, \$500, \$500

910 - OPEN 911 - JUNIOR/AMATEUR

CLASS PRICE: \$550, Plus a \$25 USHJA Mandatory Fee = \$575

You must declare what section you want your bonus points to count for at the time of your entry. Horses ridden by amateurs and juniors will automatically go towards their respective sections. Points will be: Round 1 and Round 2 @ 50, 40, 35, 25, 20, 20, 15, 10, 7, 5, 3, 2. Overall points will be 200, 160, 140, 120, 100, 80, 60, 40, 28, 20, 12, 8.

Standard Hunt and Go Format

a. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

c. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tiebreaker.

d. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.

e. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

Stabling/Schooling

a. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.

b. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.

c. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

Award Presentations

ROUND 1: To be scored over fences. This course may include gymnastics, trot fences, oxers, verticals, and combinations. There will be no liverpools, water jumps, or a time allowed. Fences will be maximum of 3'6" in height and width. Open numerical scores will be given by each panel of judges. The scores will be added for a round 1 score and then the schooling judge score will be awarded to make the final round 1 score. Judge panel #1 score will break all ties for round #2.

ROUND 2: The top 12 riders from round 1 will return for round 2 in reverse order from Round 1. In the event of a tie for the 12th rider, they will both qualify for round 2. This course will be a minimum of 8 jumps with a maximum height and width of 3'6" with one simple change of lead being incorporated in the course. The scores will be added for a round 2 score and then the schooling judge score will be awarded to make the final round 2 score. The total scores from both rounds will be added together to determine the top four (4) riders for round 3.

ROUND 3: The top four (4) riders after rounds 1 and 2 will return the same night. In the event of a tie for the 4th rider, the highest score from round 2 will be the tie breaker. All four riders will enter the International Arena on their mounts for additional testing. This round may include USEF EQ 112 TESTS 1-19 as found in the USEF rulebook. Round 3 will be scored but not announced.

This will be enforced so please make sure you are dressed according to what class you are entered in. Please be advised Exposed Hoodies of any kind are prohibited.

Formal Jumper Attire

Dark, muted or similar colored, or red (scarlet) coats are required; white or fawn breeches; a white tie, choker (unless the shirt, by design, has the choker built in for its intended use) or hunting stock, and a white or lightly colored shirt must be worn. Shirts must have a white collar and white cuffs. Shirts must be fastened at the neck and tucked in. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn. Members of the Armed Services or the police may wear the service dress uniform with protective headgear. (See General Rules, GR801.2)

Classes requiring Formal Attire are any Grand Prix or special class offering at least \$25,000 in prize money.

Proper Jumper Attire

Coats of any color are required. Breeches must be a light color (white, fawn or canary). Pastel and dark colored breeches are not allowed. Shirts, light in color, must be tucked in and fastened at the top of the neck. Ties or chokers of any color must be worn (unless the shirt, by design, has the choker built in for its intended use). Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

Classes requiring Proper attire are any Classic or Stakes class.

Standard Jumper Attire

Air Vests

Air vests are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes, Judges are instructed not to deduct points for the use of air vest worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vests that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors. Air vests are permitted without a show coat ONLY if being worn with a color matched long sleeved collared shirt. Example: A black long sleeved collared shirt may be worn with a black safety vest

In cases where the above requirements are not followed the penalty will be either a possible warning (for the first offense) or elimination. Please note that competitors are responsible for their own clothing. A wardrobe malfunction (e.g., magnets, zippers, buttons breaking) is not an excuse for improper attire.

GREEN PONY HUNTERS

A green pony is a pony of any age not exceeding 14.2 hands that has not been shown over fences the regulation height or higher for its respective section (2'3" for small, 2'6" for medium and 2'9" for large) prior to December 1 of the current competition year at a Regular Competition of USEF or Equine Canada or any national or international competition. Showing in Canada over fences at or higher than the regulation height for the pony's section under Equine Canada rules breaks the pony's green status for the purpose of this Article and Federation rules whether or not the regulation height for the pony's section under Equine Canada rules is less than, equal to, or greater than the regulation height for the pony's section under Federation rules. Ponies who have not broken their Green Status must jump less than their regulation height in open classes or their Green Status will be broken. Once a pony has broken its green status in one Hunter Pony section (i.e., small, medium, large) it will not regain its green status by moving into another Hunter Pony section. If a competition starts prior to or on November 30, Green Pony status at the start of the competition is maintained throughout the competition. A pony's green status is considered to be broken once it competes over fences the regulation height or higher for its respective section (see above). The pony's green status may be reinstated for a future competition year if it was not shown at more than four (4) competitions prior to September 1st. (HU140.7)In classes over fences, ponies not exceeding 12.2 hands to jump 2'3", ponies over 12.2 hands but not exceeding 13.2 hand to jump 2'6", and ponies over 13.2 hands but not exceeding 14.2 hand to jump 2'9". Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Dear Mr. Burton:

Thank you for submitting your requests for Presidential Modification to the application of HJ123.6. A Presidential Modification is granted in cases of extraordinary, special circumstances. When measured against that criterion, it has been determined that your request meets the standard for a Presidential Modification and therefore is approved.

As a result, the requirement for Small, Medium, and Large Pony Conformation classes will be waived for the following 2024 competitions: WEF Premier (#233832), WEF 1 (#1893), WEF 2 (#5027), WEF 3 (#962), WEF 4 (#1892), WEF 5 (#619), WEF 6 (#200), WEF 7 (#1918), WEF 8 (#3122), WEF 9 (#139), WEF 10 (#3372), WEF 11 (#6488), and WEF 12 (#6542).

Please note that this request is approved for the above thirteen competitions for 2024 only and will not be considered going forward. USEF will engage with members of the pony community to discuss this issue and determine whether the conformation requirement in HJ123 will be amended.

Sincerely

Thomas F. X. O'Mara

President

Upholding the welfare of the horses exhibited here is of primary concern to Equestrian Sport Productions, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times for horses competing at the WEF we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the U.S. Equestrian, Inc. which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the Federation policy on abuse), GR843 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take into account the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers,

sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing in the WEF starting one half hour before the first scheduled class of the competition and continuing until the last scheduled class of the competition is completed

31. Poling & Off-sets

Manual poling and the use of bamboo offsets are prohibited for all horses competing in the WEF. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

32. Comportment

Exhibitors are notified that any act of discourtesy or disobedience to the Judges or Officials on the part of any owner, rider, trainer, family member, or groom may disqualify the horse and the owner will forfeit all entry and other fees.

33. Hard Hat Rule

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards forequestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders with out protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience. The Competiton will uphold all rules listed under GR801.

34. Combining & Splitting

Sections that are scheduled as split sections will be combined following current USEF rules. All USEF Federation rules for combining Rated sections will be in affect. If you are interested in sponsorship contact show management the day before the section is started to avoid last minute changes. The show will be in compliance of HU 116 and HU 112-118. Please note classes will not be re-divided after close of entries at 4 p.m. the day before the section starts. Any entry and accepted after the closing time will not be calculated in the minimums for splitting.

35. Champion & Reserve

In addition to these points, only those four horses shall receive full points for ribbons won in the Under Saddle Class. Points will be awarded on the basis of 10, 6, 4, 2, 1, ½ for 1st, 2nd, 3rd, 4th, 5th, 6th places respectively. All classes are full point classes, except MODEL classes which are ½ point classes. Champion and Reserve Champion will be awarded in all Jumper sections on the basis of points in accordance with JP110.2, Ties to be broken by Highest Placing in the Classic. A Champion and Reserve Champion will be awarded in the Equitation Section and in accordance with EQ106.86.a with the top two riders with the most points being eligible.

36. Protest

Any exhibitor lodging a protest must first deposit \$200 for USEF Members or \$300 for Non-Members with the Show Secretary, or Steward which sum will be forfeited to the show if the same is not sustained. All protests must be addressed to the Show Secretary or Steward and made in writing, signed by the protester, and filed with the Show Secretary, Show Manager or Show Steward within 48 hours. Funds must be payable to USEF. Protests may also be files with the Federation Hearing Committee as outlined in GR603.1.

37. SafeSport

GR1303 Safe Sport Requirements

Consistent with the mission statement of the Federation, the welfare of equestrian participants, especially minors, is of paramount concern. When any member — athlete, participant, trainer, coach, organizer, official, volunteer, or staff member — is subjected to or engages in abuse or misconduct, it undermines the mission of the Federation and is inconsistent with the best interests of equestrian sport and of the athletes the Federation serves. The Safe Sport Policy and U.S. Center for Safe Sport's Code have been created to protect all athletes from misconduct they may experience within sport. The education and training of all participants in equestrian sport is crucial to the protection of athletes, reporting of misconduct, and eradication of abuse in our sport. The U.S. Center for SafeSport (Center) is the first and only national organization of its kind focused on ending all forms of abuse in sport. As an independent nonprofit headquartered in Denver, CO, the Center provides consultation to sport entities on prevention techniques and policies, while developing best practices and educational programs focused on promoting athlete wellbeing and putting an end to abuse in sports. The Center also provides a safe, professional, and confidential place for individuals to report sexual abuse.

The Federation Safe Sport Policy defines a "Federation Participant" as any Federation member, or non-member, who participates in or attends a Federation Licensed Competition or sanctioned event. The Federation's Safe Sport Policy can be found at www.usef.org and the U.S. Center for SafeSport Code can be found at safesport.org.

38. Air Vests

Air vests are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes. Judges are instructed not to deduct point for the use of an air vest. Please note that the show will not be delayed in order to reset the air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers, and entire vest) so that the vests that have been inflated can guickly be returned to their operation. Please look for canister reclycling containers located at participating air vest vendors.

39. Trade Restrictions

Company and the Service are subject to the export control and sanctions laws and regulations of the United States and other applicable jurisdictions that may prohibit or restrict access by, and the provision of goods and services to and from, certain persons or certain countries or territories ("Trade Restrictions"). In using the Service, you: (a) agree to comply with all applicable Trade Restrictions, and represent that you will not take any action that would cause Company to violate any applicable Trade Restrictions; and (b) represents that you are not, and are not acting on behalf of, a Restricted Party, i.e., a person or entity that is: (i) located, ordinarily resident, or organized in a country or territory subject to comprehensive U.S. sanctions (currently including Cuba, Crimea, the Luhansk People's Republic, the Donetsk People's Republic, Iran. VETERINARY EXAMINATIONS, INSPECTIONS & PASSPORT CONTROLS

Veterinary Regulations, 10th Edition, effective 1 June 2006

A horse inspection will be scheduled for each week in which FEI competitions are held. Rider's will be notified and notice will be posted in the competition office 24 hours before.

These will be carried out in accordance with the "Veterinary Regulations", Art. 1011 & the discipline rules.

"General Regulations", 22nd Edition, effective 1 June 2007 will apply:

Art. 139.1

Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other Cls, ClOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2

Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

Equine Influenza Vaccination

Vet. Regs. Annex VII (except events taking place in NZL & AUS)

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

Sampling For Prohibited Substances

(Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCI3*/4*, CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016).

Health Requirements For The Entry Of Horses/Ponies

- A. FL regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination in FL, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and markings of each animal listed. Date of test and approved laboratory must be shown on health certificate. Equine Rhinopneuonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination.
